Jim Olson enters state House race

James A. Olson of Antioch, stating a concern for business moving out of the state, funding for our schools, high unemployment, the RTA and crime in our neighborhoods, has announced his candidacy for the state house of representatives from the 62nd district.

Olson said that the time is right for him to dedicate himself to such a challenge because he no longer owns his own business and his children are grown and in school.

"I questioned myself, if an old war horse of 55 who had farmed, run a business and raised, with my wife Lillian, four lovely daughters, was the right person to represent this very diversified district," said Olson.

"The more I studied the issues facing the general assembly, the more I feel someone who has spent the last 35 years working at solving many of these problems in the local community might be the right candidate," said Olson.

Olson, who is the brother of Wisconsin lieutenant governor Russ Olson, served in the Army Air Force and attended the school of agriculture at the University of Illinois. For the last 35 years he has run a large dairy and poultry farm near Bassett, Wis., with his brothers Russ and Stewart. He also operated a successful farm implement dealership, Olson Implement Inc. in Antioch and is presently employed with Pioneer Blacktop, Grayslake.

Olson is past president of the Antioch Lions Club, a member of the Antioch Moose, past member of American Legion, Twin Lakes; past member 40 and 8 Kenosha, past president Bassett Grade School, past board member Hastings YMCA, a current member of the Antioch Republican Club, the

Republican Federation and has been a precinct committeeman the past 18 years.

"The movement of government in the past is to consolidate and move away from local authority under the guise of economy and better management," said Olson. "We have received in return, an unresponsive, unfeeling bureaucracy."

Olson said he has been encouraged to run by friends and business associates. "I am not a one issue candidate—abortion, ERA, gun

Turkey surprise

Forty area needy families had a happy surprise just before Thanksgiving when the Antioch Lion's Club, in conjunction with Antioch Township, distributed Thanksgiving baskets just in time to brighten the holiday.

Chairman of the project was Richard Kufalk and his team of helpers were Dave Heath, Jim Fields and Tom Haley.

The 40 baskets they delivered held a Thanksgiving turkey and all the trimmings.

PM&L tryouts

Tryouts for PM&L Theater's next production "Whose Life Is It Anyway," to be directed by Lou Jones, will be held at 7:30 p.m., on Monday, Dec. 7 and Tuesday, Dec. 8.

There are roles for eight men and four women. Opening date for the production is Feb. 13.

laws, nuclear power. I am sure a stroke of a pen will not solve these problems and many times the cure is worse than the disease."

"I am pledged to work for better environment, better relations between labor and management, a closer tie between business and schools enabling our youth to find employment," said Olson in making the announcement.

"I am well aware that no one candidate can solve all the problems facing our community and state," said Olson, who also ran for the state House 20 years ago. "I am a team player and expect to join those with similar interests."

Olson's entry into the race further stratifies the field in what should turn out to be one of the most interesting primary races on the March ballot.

Already off and running for a spot on the Republican ballot are former State Rep. Ron Griesheimer of Wadsworth, and Robert Churchill of Lake Villa.

"Living in this area has been rewarding for my family and I," said Olson. "Since I've sold my business and my wife and I have two daughters married and two in college, if elected, I can devote full time to the job in the interests of the people of the district and try to solve some of the serious problems and ensure a future for our young people."

Teacher's death

Coroner's verdict is reckless homicide

According to a representative of the Lake County Coroner's office, an inquest held by the coroner's office, inquiring into the cause of the death of Anna Helene Kugler, had the jury finding Kenneth Hartog, 20, Trevor, guilty of reckless homicide.

The matter has been turned over to the state attorney's office for prosecution.

A date for Hartog's hearing has not been set.

Kugler, a math teacher at Antioch Community High School, had been jogging on North Ave., between Tiffany Rd. and Rte. 83, when she was struck from behind by a truck driven by Hartog, at 6:14 a.m.

It was still dark at that time and Kugler was wearing a dark green jogging suit.

The coroner's jury concurred with Judge Harry Hartel who ruled that there was reasonable evidence for Hartog to be arraigned on the reckless homicide charge, on Oct. 23.

Hartog has also been charged by the Antioch Police Dept. with driving while intoxicated.

According to Antioch Police Lt. Tom Fisher, Hartog spoke of drinking a smoking marijuana before the incident at the scene of the accident.

Chicago's Channel Five television has interviewed Antioch Police Chief Chuck Miller on the death of Kugler because of a series they were doing on the effects of drugs and alcohol on driving.

2 burglarized over holiday

According to Lt. Tom Fisher, of the Antioch police department, Bill's Pizza and Broast, 950 Main St., and Polson's Dietary Food Store, two doors away, were burglarized sometime between closing time, on Wednesday, Nov. 25 and the time that the owners arrived to open the businesses, Friday, Nov. 27.

Basfi (Bill) Mudini, owner of the pizza place opened to find \$30 from his cash

register and \$100 in meat missing.

Fisher said that entrance to the establishment was gained by breaking a small window near the front door. The burglars evidently reached in through the broken window and unlocked the frame to a larger window.

Access to Polson's was gained through a window on the roof and \$10 was taken from the cash register.

Help the needy enjoy a Merry Christmas

With a little help from his friends in the U.S. Marine Corps and Lakeland Newspapers, Santa Claus hopes to make this holiday special for many needy children in Lake County.

Collection points are now operating throughout the area for the annual Toys For Tots drive for the area's needy. Last year, Lake County residents donated 16,000 toys which were distributed throughout the

county by the Marine Corps. Because the need continues to grow, the goal for this year has been set at 35,000 toys.

Through Dec. 19, the Marines are collecting new and like-new toys, games, stuffed animals and clothing such as mittens, hats and gloves. Toys For Tots asks that no broken toys, incomplete games or tattered clothing be donated.

The Toys For Tots cam-

paign, sponsored by the U.S. Marine Corps, The Antioch News, and Lakeland Newspapers, and other participating merchants, is designed to bring together surplus toys with those unfortunate children who might not otherwise enjoy a Merry Christmas this December.

Residents of the area are encouraged to deposit toys in collection barrels at any of the many collection points in the Antioch and Lake Villa area.

Antioch toy deposit locations include The Antioch News office, 525 Main St. and Realty World Tiffany Realty, 549 Lake St.

In Lindenhurst, deposits can be made at Realty World John Sage and Associates, 1724 Grand Ave.

Toys deposits can also be made at Lakeland Newspapers offices in Fox Lake, Grayslake, North Chicago and Wauconda and at many other participating sponsors.

Taws, Paws set beginners ball

The T-P Taws and Paws Square Dance Club will hold its beginner ball from 8 to 10:30 p.m. on Friday, December 4 at the Kenosha Woman's Club, Sheridan Rd., one-half block south of 60th St., Kenosha.

All dancers, both angels and in-class dancers, are invited to join in the fun.

The master of ceremonies for the evening will be Ted Palmen and guest callers are also invited. Rounds and lines will be by Doris Palmen. Refreshments will

be served following the dance.

This will be a special dance called at the in-class level so all new dancers will have a chance to dance to a variety of callers. For further information, please call (312) 244-2116 or (414) 857-2513.

Vets Debts
The Veterans Administration has announced that the state of Illinois has approximately 3700 cases of delinquent debts by veterans.

SPACE MAINTAINERS

Some children lose their baby teeth too soon, and the dentist will prescribe a space maintainer. What is a space maintainer? Why must space be maintained? When a tooth is lost, the space left behind can change. There is a tendency for teeth in front of and behind the space to tip into it, and the space gets progressively smaller. If a permanent tooth is forming in the jaw under the space, it may have insufficient room to fit into the shrinking space—it can become "locked out".

A space maintainer is a mechanical device which saves this space. It braces the teeth surrounding the space against each other, and sometimes against distant teeth, to prevent them from moving. When the permanent tooth erupts into the space, the device is removed. Space maintainers are simple devices that can prevent the need for very costly and complicated orthodontic treatment later.

Holidays herald 'Amahl'

There are many famous and traditional Christmas stories and one of the favorites is "Amahl and the Night Visitors," which will be presented by the Fool's Players and directed by Ken Smouse on Dec. 3, 4, and 5, at 8 p.m. at the Antioch Community High School auditorium.

"Amahl and the Night Visitors," by Gian Carlo Menotti, is an opera in one act and, through the years, has delighted young and old. Philip Fabry from Lindenhurst plays Amahl, the crippled shepherd boy, and Joan Kushner from Antioch plays his widowed mother.

The three kinds who stop in to spend a short time with Amahl and his mother on their long journey to see the Christ Child are played by Wayne Sobczak and Keith Boehm from Antioch and Bill Sershon formerly from Antioch now living in Evanston.

The page is H. Alexander Apostal from Antioch.

Tracy Kiederlin from Antioch is pianist. Donna Pedersen from Chicago, a Barat College graduate in dance, is choreographer and dances with Mary Faulkner-Jones from Gurnee, Ellie and Peggy Piacenza from Highwood and Mike Conners from Antioch, who are also chorus members.

Other chorus personnel are Rebecca Montooth, Susan Butler, Brenda Pettarec, Ricky and Julie Apostal, Wendy Fabry, Donna Carter, Michelle, Chris and Catherine Kushner, Betty Smouse, Kathryn Hausman, Lois Bullman, Donna Warner, Gail Marlowe, Dawn Champlie, Bruce Stamm, Mark Miller, Joseph Apostal, Larry Bullman, Edward Warner and Andrew Biel.

Tickets are \$2 for adults and \$1 for students and senior citizens. They can be purchased from members of the cast or at the door.

Parks to sponsor child care course

Antioch Parks and Recreation will be sponsoring child care during the Christmas holidays at the well-known Antioch Scout House on Main St.

The Scout House is Santa's headquarter's this year.

The Child Care hours are: Dec. 4, Friday, 6 til 8 p.m.; Dec. 5, Saturday, 1 til 4 p.m., "Making crafts time" (small fee); Dec. 11, Friday, 6 til 8 p.m., "Storytime by the Fireplace" (roasting marshmallows); Dec. 12, Saturday, 1 til 4 p.m.; Dec. 18, Friday, 6 til 8 p.m., "Movies"; and Dec. 19, Saturday, 1 til 4 p.m.

The fee will be \$1 per hour, per child. By showing a receipt of an Antioch Merchant, you will be eligible for a 50 cent refund.

2 arrested for bank boozing

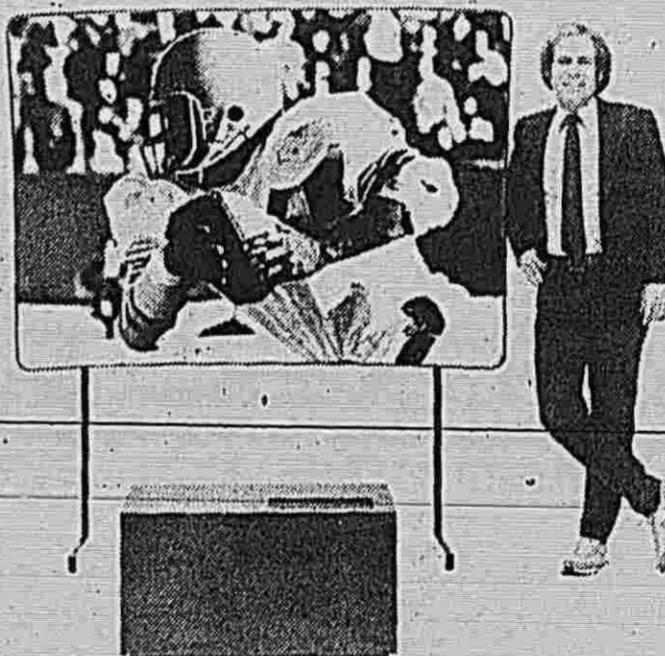

Two men obviously mistook the lobby of the State Bank of Antioch for a lounge area on Sunday, Nov. 29.

According to Lt. Tom Fisher, Antioch Police Dept., at 11:30 p.m., that evening, Donald L. Scroggins, 21, Antioch and Gregory J. Mouton, 17, Antioch, were

discovered drinking beer in the lobby of the financial institution.

Scroggins was charged with battery of a police officer, resisting arrest and possession of marijuana. Mouton was charged with minor drinking and minor alcohol possession.

When I think about it Santa should 'safe' shop

by GLORIA DAVIS

Everybody is busy running around trying to get all their Christmas shopping done, heaving long sighs of relief as each name on their list is checked off.

Buying toys for the tots on your list is probably the most fun because after all that's what the holiday is all about.

But while we are all intent on bringing toothless grins to the faces of the children we love, looking forward to their shouts of glee when they open that package that contains the very thing they asked Santa for, local health departments and optometric societies are sending out warnings, that when heeded, might keep those grins from turning to grimaces of pain and the gleeful shouts from changing into howls of torment.

The toy list you make up may turn out to be the most important part of your holiday shopping, so do it with a lot of thought.

Now most kids have been busy for quite awhile, indoctrinating the adults in their family as to their Christmas wishes, having been properly brainwashed by the tv ads.

If you already have certain toys, brand names and all, in mind, be sure you examine them carefully before you make your purchase, keeping the individual child it is meant for in mind. And for heaven's sake, don't forget the other children in that child's family who will have access to it.

Many adults tend to buy toys that appeal to themselves and the ad agencies know this as they gear their ads to the person that signs the check.

With this in mind, even though Madison Ave. did a good job selling you on a particular plaything, look at it objectively, from both the child preference and the safety angle, before you plunk your money down.

The health department tells us to check the age category indicated on the labels of

many toys. It's silly in more ways than one to purchase a toy that says for children from eight to 10 years of age for a four year old.

When shopping for toys for infants and toddlers, make sure that there are no sharp angles to the toy, the softer and smoother the better.

Glass and hard plastic should be foregone in favor of stuffed and smooth soft plastic or rubber playthings.

There should be no sharp wires in the ears, tails etc. of stuffed animals, nor should they have detachable button-like noses or eyes for the tots to swallow. In fact the less parts the better when it comes to the little ones since they like to taste almost everything they get their hands on.

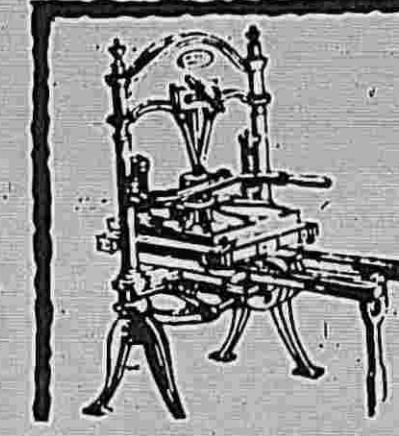

Any toy that gets hot should only be given to children over eight years of age and then caution the parents of the child to please see that they are used under adult supervision only.

Many children have been burned using wood burning kits and gotten shocks using electrical stoves and even that favorite Christmas classic, the toy electric train should only be played with when there are adults present supervising the "iron horse's" antics.

The state optometric societies and the society for the prevention of blindness strongly advise against purchasing toys that shoot pellets, projectiles or darts for children under 12 years of age, saying that inappropriate gifts such as these can turn a joyous season into an emergency room nightmare because of efforts to save one of the most precious gifts, that of a child's sight.

Both groups warn that a label that says "conforms to federal safety requirements" may not always be relied on.

Test the toy yourself with the individual receiver in mind. Making a safety check before you write that check will make everyone's holiday memories the kind to be cherished.

The Time Machine

81 YEARS AGO: NOVEMBER 29, 1900

Mr. and Mrs. John Harm will occupy the LaPlant house, lately vacated by the Radeke family.

The official returns in Lake County gives McKinley 5,136 votes, Bryan 2,235 votes, Yates 5,060 votes, Alschuler 2,289 votes.

60 YEARS AGO: DECEMBER 1, 1921

Mr. Benjamin Drury and Miss Bertha LaPlant were married in Waukegan Wednesday afternoon by the bride's cousin, Judge Taylor, Miss Elma LaPlant, sister of the bride, and Harry Schumacher, of Delavan, Wis., were in attendance at the ceremony.

A very pretty event took place on Thanksgiving day in honor of Mr. and Mrs. Frank Wilton's silver wedding anniversary. To Mrs. Wilton's surprise when the telephone rang she received a telegram message of congratulations from her relatives in Skien, Norway.

30 YEARS AGO: DECEMBER 6, 1951

Harold Nelson and Charles Cermak represented Antioch at the Cardinal Bus Lines hearing before the Illinois Commerce Commission in Chicago recently. The bus company suspended its service between Antioch and Waukegan in October without warning.

Six Antioch High school students of the 95 appearing on the honor roll for the second six weeks got a straight A grade, the list from the principals office reveals. The high ranking students are: Gail Ann Dietrick, Joanne Osmond, Evonne Gindich, Donna Martin, Nancy Rentner and Garnet Seyfarth.

Henry Quedenfeld has again been given the contract for serving as U.S. mail carrier between Antioch and Benet Lake.

Mrs. John Ostfeld gave an interesting review of her recent trip to Norway at the annual meeting and Christmas party of the Antioch Business and Professional Woman's Club, held at the Scout home, Monday evening.

Plans already are being formulated for the Christmas formal dance to take place Saturday, Dec. 22 under the sponsorship of the senior class of Antioch Township High School. Ronald Scully is Planning Committee chairman with Natalie Schipmann, Jolene Gaston, Denice Chrishop, Ronald Peters, and Dennis Kennedy assisting.

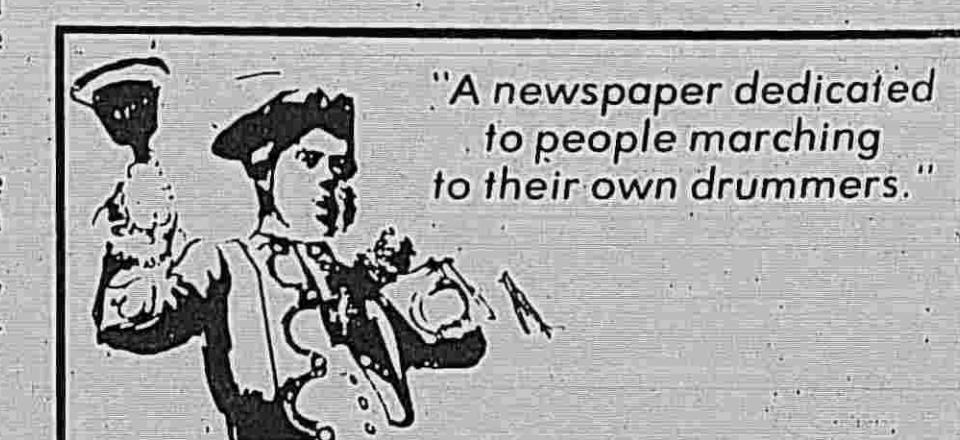

A Cross Lake youth is missing. He had asked his parents to be transferred from Wilmot High School to Antioch High, but they refused. When he didn't return home from school last evening, his parents discovered he had been expelled from Wilmot High. The Antioch Police Department is now looking for the boy.

10 YEARS AGO: DECEMBER 1, 1971

The Christmas Season was officially ushered in on Saturday by an appearance of the jolly man in sparkling red velvet. Santa came to Antioch.

The President of the United States, on November 10 appointed John H. Connelly from Waukegan to the Committee on State and Local Government Cooperation.

The Sequoits traveled to Barrington's new gym for the Thanksgiving "Turkey Classic" and came back with the whole ball of wax.

Memory Lane

Be sure and tune into Channel Two at 5:15 p.m., on Monday Nov. 30 and on Tuesday, Dec. 1, at 1:29 p.m., to see some Antioch folks in the Hawthorn Center Christmas commercial.

Lillian Huntley, one of Antioch's newer residents, called the Antioch News quite concerned with RAMCO Enterprises' plan to fill in two acres of wetlands in Sequoit Industrial Park in order to build factories on the site.

Lillian, who is obviously an environmentalist, wonders why industrial land cannot be found where it will not disturb the bird nesting areas.

"These areas are ecologically necessary and there are too few left," she says.

I just can't wait to see all the lovely holiday fashions that the clothing stores in Antioch will have modeled in the Chamber's "Christmas Creations" fashion show at the Country House on Thursday, Dec. 3.

Dixie Sparks, Chamber secretary, promises many entertaining surprises with a very special one popping up at the end of the show.

What a lovely place to hold the show! A peek at the spacious new addition to the Country House is worth the trip.

Obituaries

John W. Harms

John W. Harms, 79, of Salem, died Monday, Nov. 23 at Memorial Hospital, Burlington. He was born Nov. 24, 1901 in Fox River, Wis. and had lived in Salem most of his life.

Mr. Harms farmed the family farm in Salem Township for many years before his retirement. He married Esther Miller in Burlington, Wis. on March 24, 1979.

Survivors include his wife, Esther; one sister Isabelle Besch, Paddock Lake, and several nieces and nephews.

Funeral services were held at 1:30 p.m., Saturday, Nov. 28 with the Rev. Gary Loethen officiating. Interment was at Salem Mound Cemetery, Silver Lake.

Ray Edwards

Ray Edwards enters district four race

Ray Edwards, a lifelong resident of Antioch and a descendent of one of Lake County's pioneer families, has announced his plans to seek election to the Lake County Board from district four.

Edwards points toward his long record of civic involvement with such organizations as the Masons, Moose, and Lions as among his qualifications to serve as a county board member.

"My track record speaks for itself. I'm a 'doer, not a talker,'" said Edwards, in making his announcement.

Edwards' family came to Lake County in 1830 and homesteaded 160 acres and purchased another 160 acres.

Edwards, a Lake Villa homebuilder, said that his biggest area of concern will be the county building, health, and planning and zoning departments, all of which he says he is familiar with.

"I would like to see the building and zoning and health departments combined so that a building and zoning officer could issue permits from his car on location, payable only by check. This would create a terrific savings to taxpayers," said Edwards, who promised further "followup issues," as the campaign develops.

Edwards said he is not opposed to running on a slate with other candidates, but is entering the race as an independent Republican.

Edwards said that this is the first political office he has sought and added that his association with different civic organizations has made him "aware of the needs and concerns of all areas of the (fourth) district." He added that he doesn't intend to use his affiliations in his campaign.

As a builder, Edwards said he believes that issues such as soil erosion should be of great concern to everyone. "I believe that some farms

Forest preserve sets snowmobile course

Donald Strenger, president, of the Lake County Forest Preserve District announces that expert and novice snowmobilers alike will have an opportunity to learn the principles of safe snowmobile operation at the Lakewood Forest Preserve Ranger Station, near Wauconda. (Rte. 176 west of

Farifield Rd.) The course is co-sponsored by the Lake County Forest Preserve District and Illinois Dept. of Conservation. Under Illinois Law, the course is required for young people, ages 12-16, who plan to operate a snowmobile without adult supervision.

These individuals must successfully complete the snowmobile safety course in order to obtain their certificate.

Course dates are: Dec. 2, 9, 16, from 7 to 10 p.m.

Each student must attend all three dates to complete the course material which includes: safe operation,

snowmobile law, first-aid, proper riding techniques, snowmobile maintenance, etc.

The course is open to the public. For more information contact the Lake County Forest Preserve District Headquarters at (312) 367-6640.

STAATS

"Vitamins and Metabolism" will be the topic of the nutrition seminar offered at St. Therese Area Trauma Satellite, 37809 North Route 59, Lake Villa, on Wednesday, Dec. 2 from 7 to 8 p.m. There is no charge, however, enrollment is limited so call (312) 356-6600 to register.

RECALL BIKES

William L. Kempiners, director of the Illinois Department of Public Health, has announced the recall of the cast-aluminum forks on approximately 30,000 Yamaha "Viscount" 10-speed bicycles. The recall covers only the front forks on the Viscount Models GPM, PRC and PRT. These bicycle frames are colored either white or silver.

Thank You

We would like to express our deep appreciation to the Antioch Rescue Squad and the police dept. for their prompt assistance at the time of our daughter Ann's death.

Words cannot express our appreciation for all the expressions of kindness extended to us at this time.

A special thanks to the Board of Education and administration at Antioch High School; also special thanks to the math department, science department, athletic department, teachers, staff, students and the cross country team. Your cards and comforting words at visitation will never be forgotten. Ann was very happy and proud to be a part of such a fine school system and to be associated with such fine, sharing, caring faculty, staff and student body.

May God Bless All Of You.

INSIGHT INTO EYESIGHT

Dr. R. A. Sona,

OPTOMETRIST

Parents' Attitude Vital

Ten-year-old Johnnie had trouble seeing the blackboard. He did poorly at little league baseball. He couldn't focus on the moving ball. An eye examination indicated that Johnnie needed corrective glasses for seeing at a distance. Johnnie came home with Mom wearing his first pair of glasses. As they entered the front door, Johnnie's father was obvious about his disappointment. This negative attitude can be as devastating to the self-esteem of a youngster.

The greatest problems encountered with children who wear glasses originate from parents — not children. Children are quite willing

and sometimes even eager to wear glasses. They are quick to understand that glasses will allow them better vision and thus give them an easier time at school and at play. The idea there is something wrong is usually picked up from their parents.

Advice: Try not to express disappointment in your child's presence if glasses are indicated. For the sake of the child, try to be positive about the visual benefits glasses will afford.

In the interest of better vision from the office of: R. A. Sona, O.D. 800 N. Main St. Antioch, IL (312) 395-8885

Vikings recap rewarding season

The Antioch Viking Junior Football Team had a very rewarding season, winning the division championship of the Northern Illinois Jr. Tackle Football League, and taking second place overall with a 6-2 record.

Against McHenry, Antioch won 14-12. Antioch scored on an interception by Mike Dobosh. Mark Majewski kicked the extra points. The second touch down was scored by Ken Andersen.

In playing North Brook, Antioch won 12-6. Running back Ken Andersen had two touchdowns, with fine blocking by the offensive line, allowing him to score.

Antioch over powered Wauconda, 12-0. A very good game for Stan Kuligowski and excellent running once again by Andersen. The defensive performance by the entire squad was outstanding.

In Waukegan, Antioch lost 54-0. A fine team, Waukegan totally dominated the game.

In a hard fought game, Antioch's second loss was to Winnetka, 12-8. A good game for both teams.

Ken Andersen ran very ef-

fectively and Mark Majewski kicked the extra point. Larry Rygelski and the rest of the defense turned in a strong effort.

Against Mundelein, Antioch won 26-6. Stan Kuligowski scored twice, Dan Adams and Mike Dobosh each scored once in Antioch's most productive scoring day of the season.

Mark Majewski kicked well. Outstanding defensive players were Dave De Rouse, Tom Homen, Mike Byseck, Kris Kauth, Chris Haley and Bob Carney.

Antioch won over Round Lake, 12-0, a fine day for both Ken Andersen and Stan Kuligowski. Great offensive line blocking by Wade Kilman, Rich Eckert, Chris Haley, Bob Carney, Mike Fields, Jerry Kurszewski and Larry Rygelski.

In playing Fox Lake, Antioch won 23-6. Beautiful blocking by Bob Carney and Jay Tapia allowed Tom Homen and Ken Andersen to have an excellent day. Andersen had two touchdowns, with 140 yards rushing on

two carries, one, an 80 yard return for a touchdown. It was a very good performance by the entire defense.

In the championship game with Winnetka, Antioch lost 6-0, a very hard fought game by two outstanding teams.

Antioch's Ken Andersen received the most valuable player award of the game with 59 yards rushing and five unassisted tackles.

Other players who helped bring Antioch its victories are Mark Aschbacker, Ed Garver, Mike Gleniewicz, Dan Heiselman, Jim Hernandez, Jeff Hunstock, Jerry Kurszewski, Joe Lehner, and John Wiersham. Antioch's coaches were Mike Dobosh, Russ and Andy Lehn.

On traveling teams, a view of the sports facilities of other cities is gotten. It can proudly be said that Antioch has the finest.

Along with its great facilities, good parent participation, fine coaches and highly motivated boys, Antioch has an excellent football program.

Sequoits stumble in opening tournament

by GLORIA DAVIS

Although the Sequoit varisty cagers lost all three of the games played at the Barrington Thanksgiving Tournament, Coach Roger Andrews sees a light shining through the gloom in the fact that his cagers got progressively better during the tourney.

Antioch took their first resounding defeat from Barrington on Wednesday, Nov. 25, when they bowed to the Broncos 70-40.

Steve Sheedlo was that game's Sequoit standout, scoring 13 points.

"Barrington took command early and we didn't

play well at all," said Andrews.

In their second tournament game against Libertyville, on Friday, Nov. 27, the Sequoits made a slightly better showing, turning in at least a quarter and a half of good playing, even though they were soundly beat by the Wildcats, 83-46.

Bob Gatti put 18 points on the board, playing a good all around game, copping 11 rebounds.

Andrews said, "At least we were able to play everyone on the squad during these two games and evaluate them."

Elgin Larkin was the Sequoits final foe, on Satur-

day, Nov. 28, and this time Antioch did well for almost three quarters, but they were down three, with less than a minute to go and a few critical turnovers cost them the game.

Andrews credits Gatti, Mike Gofrans, Brad Herbst and Tom Andersen with "fine jobs."

The Sequoits go up against tough Round Lake at Round Lake, on Friday, Dec. 4.

Due to a mistake in scheduling on the part of Mundelein, the Antioch game against them, sceduled at home on Dec. 5, has been rescheduled for Tuesday, Jan. 19, at Antioch. Varsity starts at 6 p.m..

BIKE-A-THON WINNER — Laurie Zimmer, 8, daughter of Mr. and Mrs. Kenneth Zimmer, Grass Lake Rd., is awarded first prize, 10 speed bicycle, as top rider in the Antioch Bike-A-Thon for American Cancer Society. Right, Pres Reckers, chairman of the Antioch route, presented bike which was donated by State Bank of Antioch. Laurie rode 21 miles and collected \$509.30 for benefit of Cancer Society. Participating riders in Antioch Bike-A-Thon have collected \$4,000 to date this year. — Photo by Gloria Davis

St. Peters' teams win

Sunday, Nov. 22, the basketball team of St. Peter's, Antioch, met St. Peter and Paul, Cary, in a three game basketball match featuring the sixth, seventh and eighth grade teams from each school.

The St. Peter eighth grade team defeated St. Peter and Paul, 60-10. The high scorer was Eric Riedi with 20 points. John Fritz had 15 points, Bruce Marcquenski had 12 points, Phil Hettich had five points, John Shaffer had four

points, Rusty Richards and Rob Cote had two points each.

Steve Hanson, the point guard, also played an exceptional defensive game. They also shut out St. Peter and Paul in the first half of the game.

The St. Peter seventh graders also won by a score of 43-30. Mark Carpenter was the high scorer with 10 points. Brad Schueneman had eight points. Everyone else scored on the team except John Carley who was excellent on defense.

The sixth grade team from St. Peter lost a close game on a last second shot which missed. The score was 21-19. Dave Wick was top scorer with 10 points and Steve Dittich had nine points.

Crown 3 matmen

The Sequoit wrestlers opened their season with a Take-Down Tournament at DeKalb High School, Saturday, Nov. 21, by crowning three individual champions.

Jeff Nieze, 112 pounds, Andy Lehn, 155 pounds and George Bessette, defeated four wrestlers to win individual titles.

No team score is kept in this type of tournament where only take-down points are scored.

Antioch's Bill Carney, at 185 pounds, defeated all four opponents but did not score enough individual points to earn the title.

"This type of tournament was exactly the kind of experience that the team needed. Their improvement in the area of take-downs is a major priority this year and we benefitted a great deal from this competition," stated Head Coach Ted DeRousse.

Holiday wrapping planned

The Hawthorn Center holiday gift-wrap service will be repeated this year by American Cancer Society volunteers who will wrap gifts of all proportions in a little extra love for hurried Hawthorn shoppers.

The gift wrap booth, a special fund raiser for the Lake County Unit of the Cancer Society will again be located at the Lord & Taylor courtyard of Hawthorn Center, Vernon Hills, where it will be open at noon on Friday, Dec. 11.

Chairmen responsible for each calendar day of the shoppers service have already received their instructions according to Janet Brook, Antioch, Chairman. Volunteers will stay wrapped in their work from noon to 9 p.m. every day after Dec. 11 with the exception of Sundays, when the booth will close at 6 p.m. On Christmas Eve, Dec. 24 the booth will be open until 4 p.m.

Blood drive slated

Students and faculty of the College of Lake County will be taking a little time from their day on Wednesday, Dec. 9, to donate blood at a school sponsored blood drive. The drive will be held at the college, 19351 W. Washington, Grayslake, between 10 a.m. and 4 p.m.

Co-sponsoring the drive is the North Suburban Blood Center in Glenview, the sole supplier of blood and blood components to 13 hospitals in the north and northwest suburbs. Jacquelyn Hassett, R.N., the blood drive chairperson, encourages community residents to donate. Hassett can be reached to schedule an appointment by phoning (312) 223-3605.

The blood collected by the blood center will be used to meet the needs of patients in the 13 area hospitals. Currently, 1,000 units of blood are needed each week to meet these patient needs.

My car drives me loony, my blender's stir crazy, and my TV picks its own channels.

But Cash Station, you make it so easy.

For years, I never had much luck with machines. I didn't like them. They didn't like me. So when Cash Station automatic banking came along, I was pretty leery about the whole idea.

But then, in one of my bolder moments, I actually tried a Cash Station transaction. And it really was easy! No sparks flying everywhere, no shower of pennies. I just

inserted my Cash Station card, punched in my secret code number, and got the cash I wanted in seconds. It even gave me a receipt for my records. What a nice machine!

Now I use Cash Station all the time. Because at any Cash Station, I can get cash, make deposits and transfer money between accounts. Cash Stations are open

day and night, 365 days a year. And I especially like the convenience of all the locations—in the Loop, the suburbs, even my train station.

For my money, Cash Station is more than a fast, easy, convenient way to get cash. It could be my first machine friend! Now if it would only talk to my car about that funny noise it's making...

The fast, easy, convenient way to get cash.

Fire department advocates 'safe holiday practices'

As Christmas approaches, the arrival of the cold weather and the snow bring to mind the need for fire safety. Two projects that are being promoted by the Fire Prevention Bureau of the Antioch Fire Department are

"Keep the Wreath Red" and "Adopt a Hydrant."

IMMUNIZATIONS

The Lake County Health Dept. will hold an immunization session in Antioch, on Wednesday, Dec. 16, at St. Peter's Church Hall, 557 Lake Street, from 9 to 11:30 a.m. No appointment is necessary.

To "Keep the Wreath Red," two large green wreaths will be hung in the window of the display room at the Antioch Fire Station and a red candle will be placed in the wreath.

If any fires occur during the holiday season, Thanksgiving, Nov. 26 through and including the 12th night, January 6, the red candle will be replaced by a white one.

To "Adopt a Hydrant," means that as the snow begins to fall and accumulates, it becomes harder and harder for the fire department to locate fire hydrants in an emergency.

Capt. Wayne Parthun of the Antioch Fire Prevention Bureau is asking that the residents of the village of Antioch participate in our "Adopt a Fire Hydrant" program which will be launched Dec. 1.

The goal is to have village residents keep the hydrants near their homes free of snow, ice and other debris.

When a fire occurs in the winter, quick access to the hydrant is necessary. There are more than 190 hydrants available for adoption according to figures from the water department.

To join the "Adopt a Hydrant" program,

residents of the village are encouraged to call the Antioch Village Hall at (312) 395-1000.

Participants will be asked to clear the hydrant of any snow, ice or other debris for at least a three foot radius. They will also be urged to maintain a pathway from the hydrant to the street, where possible.

This is the first year for this program and Capt. Parthun is hopeful that the community spirited residents will participate 100 percent.

This is the second year for the "Keep the Wreath Red" campaign and according to Bureau Chief James Quedenfeld, "We are looking for another all red holiday season."

AARP plans yule party

Members of the Antioch Chapter 387 of the American Assn. of Retired Persons (AARP) will be having their annual Christmas party at Hunter's Country Club in Richmond on Tuesday, Dec. 8, starting at 11 a.m.

Reservations for 200 people have been made. Anyone who has not made a reservation and would like to go, should call Esther Aiani or Cecile Mann, to see if there has been a cancellation.

Members were told at the Nov. 24 meeting, that starting Jan. 12, when they pay their dues of \$2 for the year, they will have to pay an extra \$3 to pay for the refreshments that they would ordinarily bring during the year. That is, they formerly brought a cake or made sandwiches for 12 once during the year. Now, no one will have to bring the refreshments, as they will be purchased from the \$3 paid at the beginning of the year. Everyone will be equal.

It will still be necessary to pay the 35 cents for the sandwich, cake and coffee at the meetings they attend. Also, to pay extra if they have a catered lunch.

Bingo was played after the meeting, with dollar bills given as prizes.

UNEMPLOYMENT

The Illinois unemployment rate fell by one-tenth of one percent in October to 8.3 percent, while the U.S. rate increased by one-half of one percent to eight percent.
